## A bit of *Bohemian*

Characterized by rich colors, ethnic styles and diverse patterns, bohemian design is all about showcasing your individuality. Let your originality shine! If you're apprehensive about the design style, start with adding a few bohemian accessories. Or jump right in feet first. Here are a few ideas to get you inspired.

BY MELISSA MAUZY

**one:** Family room, by Jules Duffy Designs.

**two:** Modern Indian master bedroom, by Seldin Design Studios.

**three:** Living room, by Liz Steward Development and Design.
